- Indonesian ● ● ● ● ●
- English ● ● ● ● ●

I am a passionate Machine Learning enthusiast and Data Scientist with well-developed skills and experience in community development, combining technical expertise from my Computer Science background with essential soft skills for social work. I have thrived on exploring new ideas and approaches, continuously seeking opportunities to grow and make a meaningful impact. I am also eager to contribute and learn, driven by a desire to enhance both my technical capabilities and my ability to effect positive change in the communities I serve. I am keen to continue my journey of growth, building on the skills and experiences I have gained thus far.

Work experience

- Coordinator** Sep 2019 - Jul 2022
Coordinator of Extracullicular Informatic Clinic Community, Kota Magelang
- Planned & learned new skills for programming and coding
 - I Coordinated numerous successful events organized by the Informatics Clinic Community in 2021
- Tutor** Sep 2023 - Jan 2024
Binus University, Semarang
- I Joined BINUS University Tutor team on my 3rd semester of university. I teach 2 subject in this period of tutor, consist of Algorithm & Programming and Discrete Math. Two class each week voluntarily done in hybrid to help the 1st semester student who struggle in understanding classes material, so that they could pass the classes with their expectation, successfully attracting more than 30 students to join my sessions regularly.
- Freshman Partner** Sep 2023 - Jul 2024
Binus University, Semarang
- I served as a BINUS University Freshmen Partner for the 2023-2024 academic year, providing weekly guidance and essential materials to help freshmen navigate a focused yet enjoyable university experience. I facilitate discussions and sharing sessions to ensure effective communication and support within our weekly meetings.
- Organizer** Apr 2024
Ureeka Binus, DKI Jakarta
- I Actively engaged as a member and organizer within Ureeka Binus, contributing to the successful execution of various competitions hosted by Ureeka.

Education

- Mathematic and Science major**
SMAN 1 Magelang, Kota Magelang
- Success on graduating Mathematic and Science major
- Computer Science major**
BINUS University, Kota Semarang
- Currently Achieved Average of 3.91 GPA in 4th Semester

Achievements

I was selected team to create a pioneering data-driven solution for the 2024 ASEAN Data Scientist Explorers Competition. Our project focused on “Enhancing Waste Management through Integrated Waste Banks and Gamification Incentives,” aimed at advancing sustainable waste management practices across ASEAN countries.
